

**COMBINED****Juris Doctor/  
Master of Business Administration**

You've made the decision to invest in your future as a law professional, making a name for yourself in today's competitive legal landscape by practicing with excellence and ethics. Maximize your career opportunities by adding business principles to your toolkit through Mercer University's **Combined Juris Doctor/Master of Business Administration (JD/MBA)**. Developed in collaboration between the School of Law and the School of Business, this program elevates educational and career opportunities by capitalizing on the interconnected relationship between business and law.

The JD/MBA develops students into versatile practitioners and advisors by providing a foundation in both legal and business practices. Sharpen critical thinking and analytical skills to gain a greater understanding of how companies and organizations function to provide well-informed counsel on complex legal issues. An education in both disciplines cultivates greater expertise for career advancement and managing a law practice effectively. Building a diverse network of classmates, colleagues, and professors in both the business and law industries opens new doors in your professional journey.

Pursue a variety of opportunities upon program completion in areas including financial or consulting sectors, business law, contract law, and more.
