

MERCER UNIVERSITY'S Special Consideration Program for Business

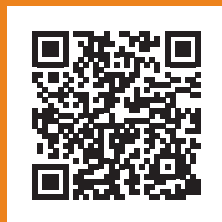

Become a Double Bear

Continue earning the prestige, respect, and competitive edge that comes with being a Mercer Bear by seamlessly transitioning into a graduate business program through the University's Special Consideration Program. The pursuit of lifelong learning doesn't have to end with your undergraduate degree; go further with a Mercer graduate business degree.

Program Benefits

- Gain special consideration for one of the following business programs at Mercer **within two years** of graduation:
 - Full-Time (Day) MBA, Evening MBA, Online MBA, Master of Accountancy (MAcc), Combined MBA/MAcc, and Master of Science in Business Analytics.
- Apply as **test optional** to be considered for admission without submission of GMAT or GRE scores. Test optional applicants will submit a statement of purpose on their application.
- Take advantage of a **30% tuition benefit** for the entire graduate business degree.
